

A very warm welcome from the Headteacher.

they possibly can.

We aim to provide a lively, creative curriculum to challenge and motivate our pupils and enable them to participate in a range of high quality learning opportunities. Our greatest desire is to provide our pupils with many memorable learning experiences and to create a colourful, motivating learning environment.

We want our pupils to enjoy coming to school and to be enthusiastic about learning. We will nurture and encourage pupils and hopefully, inspire them to be active participants in their own development and education. We are committed to providing an inclusive, creative education for all pupils and meeting the needs of all the children in its care including those who have additional needs or disability.

We encourage our pupils to be responsible and thoughtful and play an active part in all aspects of school life. Our Pupil Council gives the children a "voice" where their thoughts and ideas can be expressed and utilised. We want our children to feel safe and secure and have the confidence to achieve their full potential both academically and socially.

Our ethos is broadly Christian and is built on mutual respect for others, their values and belief. We hope to develop positive, active learners who are well prepared for their role in a rich and diverse society.

We place a high value on establishing close links between home and the school so that we can effectively work together to achieve the best for your child. We demand high standards of behaviour and ask parents to enter into a Home-School Agreement with us which sets out how the school and parents can work together.

We are passionately committed to individual achievement, personal growth and the pursuit of excellence for every child. In the words of our mission statement enabling every child to "become the best they are able to be".

We hope you find the information on our website helpful and that it gives you a taste of our wonderful school and children. Our website is continually updated and we hope that it will become a valuable source of information for parents, governors, children and many other visitors.

We are very proud of our school and are always happy to welcome visitors. We look forward to meeting you soon.
