

## Joseph Smash Hit sets Helmshore alight!

Congratulations to the cast of Joseph!

Helmshore's 2017 production of "Joseph and the Amazing Technicolor Dreamcoat" has been a huge success! It featured forty three Y6 children singing, dancing, acting and having fun. The audiences loved the show and the cast were amazing. There were lots of outstanding performances and lots of children gained confidence during the week of the show. Have a look at our lovely photos on Twitter!

### Testing Times

Year 2 and Year 6 have worked very hard this year sitting their tests. It is a difficult time for lots of children but they did their best to keep calm and persevere.

### Cycling Success

Y6 pupils recently enjoyed Passport to Safer Cycling and passed with flying colours! They worked hard for a whole week and will now be safe cyclists on the road. Well done!

### A Colourful Change

Over the May half term, we are so lucky that our school hall was transformed into a colourful display based on nature. Every child in school has contributed to this project and we are very proud of the results! Children have been busy painting, weaving, collaging and even knitting to create lovely abstract pieces of art for the hall.

### Get your foot on the Accelerator!

Children from Y2 to Y6 have been really enjoying the introduction of Accelerated Reader. They are loving the challenge of "quizzing" after each book and reading as many words as they can each week. More pupils are quizzing as the days go by. Of course, the most important part is that this encourages them to read a range of quality books. The more you read, the better you get!
