The Governor's Vision Statement

Ethos and Values

To become the best we are able to be.

Helmshore Primary School provides a learning environment that opens up a world of opportunities and takes pupils on a journey to discover and challenge their thinking.

- ✓ We aspire to ignite a passion for life-long learning

- ✓ To develop great thinkers who embrace challenges

- ✓ To promote curiosity, enthusiasm and independence

- ✓ To provide opportunities for all pupils to develop skills, knowledge and an understanding of how they can become life-long learners

- ✓ To challenge and pursue excellence through a creative and inclusive curriculum

- ✓ To provide a learning environment where all can grow, achieve and aspire within a safe and caring atmosphere of teamwork, support and cooperation

- ✓ To value everyone as an individual and encourage respect for others

- ✓ To create confident independent individuals who take responsibility for their actions and who understand their role in our community and the world they share with everybody.

At Helmshore Primary School we will recognise and harness the strengths and talents of all children to enable them to reach their full potential as rounded individuals.

We will work with parents, families and the local and wider community to ignite children's curiosity and to encourage a love for learning.

We aim to support all learners to become caring, responsible, active citizens prepared for the challenges of tomorrow.
