

EYFS Learning at Home

Dear Parents,

In order to support our families at this difficult time, we have put together a pack of activities to help to continue their learning and development. The activities are designed to continue work the children have enjoyed at school and are set out in a way that you can select a range of activities each day, building on your child's individual interests.

The children are familiar with a balance of structured, focused tasks and self-initiated exploratory play to reinforce concepts and ideas. They would respond well to this approach at home.

We have given your child this folder in which to put any work on paper, but please do not feel pressurised to write down every activity; many of the activities are verbal/practical. Any photos of your child engaging in activities would be lovely.

Our home learning packs will be emailed to you. Please let the school office know if you do not receive the email or if you are unable to access emails/online resources and we will supply paper copies.

We wish all our families all the best at this worrying time and hope to see you all soon.

Mrs Perry and Miss Thomas
