MIX

Please have a go at completing as many of these activities as possible. Do as much as your child can cope with. Thank you for your continued support!

Reading

Please continue to read daily with your child; exploring a variety of texts and hold discussion about what is being read. Encourage your child to make predictions and give their opinions about what they read. Please reinforce Phonics skills too!

Instructions

We know how much you like your food related tasks! Fruit Punch! Have a go at trying to make one and then sit in the sun (if we get any!) and drink it! Write a list of all your ingredients with instructions so that we can have a go at making one ourselves.

Drama - act out the story!

Your child will already be familiar with 'The Tale of Peter Rabbit'. It would be lovely if you could re-read the story together and use simple actions to retell the story. Why not record your child and if possible email it to us to see!

Espresso - Phonics

Please make use of the 'Espresso' Phonics videos/resources to support your child's learning.

Username - student17917

Password - pupils

To find the Phonics resources, click 'Key Stage One' and then click 'Phonics' in the drop down list. You will find a variety of videos and resources that cover each of the Phonics phases.

Phonics

Use the Phonics booklet to complete a few activities per day to support your child. This will be beneficial in supporting your child's Phonics learning.

Story writing - 'The Tale of Peter Rabbit'

As your child is very familiar with 'The Tale of Peter Rabbit' - have a go at retelling the story by writing it! Please encourage your child to use capital letters, full stops and finger spaces in their writing. Joined up handwriting would be fantastic too! We will look forward to reading your lovely stories!

Character Art

Draw and design a character from any storybook. Write a few sentences to describe the character using lots of adjectives.
