

Year 1 Spring Term 2 - 'Family Album' Topic Learning

Please have a go at completing as many of these activities as possible. Do as much as your child can cope with. Thank you for your continued support!

R.E.

Create something at home. You could use lego/ paint/ crayons/ pebbles. Take a photo of your creation. Write 1 sentence to tell us about your lovely creation.

Espresso - Topic

Please make use of the 'Espresso' Topic videos/resources to support your child's learning.

Username - student17917

Password - pupils

To find the Topic resources, click 'Key Stage One' and then click the subject you would like to use from the drop down list. You will find a variety of videos and resources that cover many topic aspects.

Science

Go for a walk in the woods / outside your house and write a list of everything you can hear. For example: leaves rustling, water running and birds tweeting.

History

I remember - make a poster or timeline about things that have happened in your life. Include sentences/pictures. This can be as big or as long as you like. Get creative!

Geography

Research and find out some interesting facts about the four countries that make up the United Kingdom. You could even watch a few exciting You Tube clips!

Art

Design your own Easter egg wrapper. Draw your design, or perhaps use different types of collage material to make your wrapper.

P.E.

Practise your throwing and catching skills by bouncing a ball whilst travelling. Why not work with a parent/sibling to play a few little games! Create a short sequence of dance moves to your favourite song. There are plenty of ideas on You Tube!
