To find the Topic resources, click 'Key Stage One' and then click the subject you would like to use from the drop down list. You will find a variety of videos and resources that cover many topic aspects.

Science - Wonderful Word Search

Using squared paper, can you make up a word search by hiding the following words?

forest, cliff, country, lake, beach, grow, seeds, plant, flower, roots, town, village, city, seaside

You may also like to ask a family member to try and find all of your hidden words or even add your own extra words into the search.

Extra!

If you have a large roll of paper or some chalk, lie down and ask someone to draw around you - can you then label your different body parts?

Computing

Continue to practice your simple computer skills- you will find that there are some great computing activities on Purple Mash!

History

Find out facts about Florence Nightingale and make a poster celebrating her life. We would love to see your finished posters!

Art

Have a go at making a decoration out of recycled material for your garden! Send us a photo too!

PSHE

Neatly write down three things you are proud of. How many different words can you make using the letters from the word 'friendship'?
