

Pack 5 - Y4 - Week Commencing 18th May 2020

Dear all,

We hope you are keeping well in these difficult times. We are missing you all and hope that you're ok.

You will have received an email this week with information regarding Purple Mash. It contains your child (ren) individual login details. This is another place for you to find extra activities should you need them. They provide daily Maths, English and Topic work for children to complete. Please contact us on our class email address if you have any difficulties.

We understand how difficult it is to keep on top of things at home and think that the **BBC Bitesize** material is a really good place to start with your home learning.

There is a Maths and English session every day followed by some element of topic work.

If you require more the **Oak National Academy** has further activities.

Again there is a Maths and English session every day followed by some element of topic work.

The Lancashire Maths team who support Lancashire schools with Maths have provided further Maths activities.

More Maths is available from White Rose:

For those who want to be able to print things out and complete them we've still provided some activities in the folders for you to do. This includes 2 new reading units prepared by the English team who support us regularly in school.

Alongside reading as much as possible and keeping on top of your Times Table Rock Stars you've got plenty of work to keep yourself busy.

The school website is being updated regularly with new activities and ideas too.

Remember it's up to you how much or little you do - please don't put yourselves under any more pressure to do everything.

Thank you for all you're doing and we look forward to seeing you all when this is over.

Mrs L Altham and Mrs J Jackson
