

Mousehole Cat – Week 2 – Topic

The story of the Mousehole Cat is set in the Cornish town of Mousehole.

Find out as much information as you can about Mousehole and create a fact file or leaflet about it.

You might research the following:

Location

Population

Things to do

Places to visit

Description

Places to stay

You could include any information you can find.

Do this for a little bit each afternoon – complete all your notes in rough first then present them in any way you like.

We'd love to see them when you're done.
