

Hello everybody!

Pack 6 - Reception - Week Commencing 8th June 2020

We are thinking about you lots and hoping you are keeping well. We also hope you have been enjoying the lovely sunshine. We are missing you all very much and hope that you're happy and continuing to look after each other. It is lovely to have heard from more of you via class email and we especially like seeing your lovely smiling faces in your photos. We understand how difficult it is to keep up with home learning want to emphasise to parents that the most important thing is that your children remain happy and healthy at this time. We really appreciate all your efforts.

Reading, Writing and Maths daily continue to be the priorities for your child's learning, alongside lots of speaking and listening about activities. Please continue to use **BBC Bitesize** and **Oak National Academy** to inspire home learning and have a go at the Lancashire Maths team activities if you haven't already done so. <http://www.lancsngfl.ac.uk/curriculum/primarymaths>

We can see that lots of you are enjoying **Purple Mash** and logging in lots! If you are having any problems in using your username and password to log onto the website, please let us know and we will try to help you. Keep exploring MINI MASH and start looking out for "2Do" tasks, which we are starting to set weekly.

This learning pack now covers one week as we felt that may be easier for parents to follow. We hope you find this helpful. It also includes a new reading units prepared by the Lancashire English team. This enables all children to access the same text and work through the activities outlined. We hope you enjoy them and find them useful!

The school website continues to be updated regularly with new activities, links and ideas too (just below the home learning links). Thank you very much to those of you who continue to participate in our family challenges on Twitter, these are lovely for you to do. Keep looking out for daily communication and regular photo videos on Twitter, too; your child will love looking at his/her friends.

Just a little reminder; for any parents who are finding it difficult to motivate children- at school, we regularly mention our Worker Bee system and remind children to "be hardworking", "be enthusiastic" and "be a Worker Bee". We hope this helps!

Thank you so much for all you're doing. Take care and we look forward to seeing you all soon.

Mrs Perry and Miss Thomas
