Purple Mash

We hope you are all enjoying using Purple Mash at home. There is so much to explore so thank you for all of your efforts so far. Remember to keep an eye out for new class blogs being posted. Also, remember to look at our weekly 2Do tasks which are uploaded every Monday. We hope you enjoy these. Don't forget to you're your work and click 'hand in' when you have finished. Remember, if you have any questions, please do not hesitate to contact us via our class emails. It is lovely to hear that so many children are enjoying completing their tasks, and also love reading comments and messages from us! Thank you very much for your support.

Please continue to refer to 'The Oak National Academy' and 'BBC Bitesize' to support your child's learning. On these websites, there is a lesson every day of Maths and English, followed by some element of Topic.

The Lancashire Maths team who support Lancashire schools with Maths have provided further Maths activities. More Maths is available from White Rose: <https://whiterosemaths.com/homelearning/year-1/>

Please join in with our Hope Project; a project our staff are working on to help with worries and emotions, and to promote moving forward happily and healthily into the future. There are some lovely stories and activities for all children here:

Just a little reminder; for any parents who are finding it difficult to motivate children- at school, we regularly mention our Worker Bee system and remind children to "be hardworking", "be enthusiastic" and "be a Worker Bee". We hope this helps!

We would like to continue to thank you for your hard work and dedication to your child's learning. It is all very much appreciated.

Take care and best wishes,
Miss A Morton and Mr. J Gaffney.
