

Year 2 Home Learning - Topic - Week Beginning 15th June 2020

Here are some suggested activities to do with your child at home that are linked to our current learning. Thank you for your continued support.

R.E.

Following on from our learning about festivals and special days in Islam, can you tell us about special days that you celebrate? You could create a poster including pictures or photographs.

History/Art

Can you create a picture of a seaside holiday in the past or present? Use any kind of media that you choose, eg paint, pencil crayon, collage, felt tip, or you could even make it 3D or use a computer.

P.E.

After learning about how to keep healthy in PSHE, this week we are focussing on keeping our bodies healthy. Can you build your own exercise routine to help keep you and your family healthy? You could use this Active Classroom resource to choose your activities. <https://www.activekidsdobetter.co.uk/active-classroom/activity-booster>

Espresso - Topic

Please make use of the 'Espresso' Topic videos/resources to support your child's learning.

Username - student17917

Password - pupils

To find the Topic resources, click 'Key Stage One' and then click the subject you would like to use from the drop down list. You will find a variety of videos and resources that cover many topic aspects.
