

Dear Parent / Carer,

We hope that you are all safe and well. For this week's topic based activity, we would like you to look at the Royal National Lifeboat Institution (RNLI).

There are three (3) activities for you to complete.

Activity 1 - What is the RNLI?

Lesson 1 - The History of the RNLI

Main Activity - Write a fact file - All about the RNLI

Challenge Activity - Why do you think Lifeboat crew have to wear a special uniform?

Activity 2 - History of the RNLI?

Lesson 2 - Grace Darling and the history of the RNLI

Main Activity - Write and draw a comic strip which retells the story of Grace Darling.

Challenge Activity - What do you think people may have been saying as they were being rescued by Grace Darling?

Activity 3 - Make your own Lighthouse

Either use the template provided or use an empty Pringle tube (or similar) to create and make your own lighthouse.

We hope that you enjoy learning about the RNLI, Grace Darling and Lighthouses and find out lots of interesting facts about them all. We look forward to receiving any photos or examples of your finished work.

Take care and stay safe.

Warm wishes

Mr Driver & Mrs Frain
