

Pack 6 - Y4 - Week Commencing Monday 8th June 2020

Dear all,

We hope that this letter finds you and your families well. We really are missing you all and hope that you're ok.

We hope that you enjoyed completing the recent work including the work about Egypt and the River Nile. We've really enjoyed looking at the different examples of work that you've sent via email. Please feel free to send us any of your work from this new pack too via the class email.

Class email reminder:

4A@helmshore.lancs.sch.uk

4J@helmshore.lancs.sch.uk

Purple Mash is new to us at Helmshore and we know some of you have already been exploring and finding your way around. We launched 2email last week. It's been lovely to hear from some of you. If you've not sent us a message please do. It's brilliant for us to hear about everything you've been up to.

From this week as well as the work contained in the work pack we've set you a 2Do task to complete. The task this week links to our science work and is all about Minibeasts. We're asking you to write a simple information text using the writing frame and prompts provided. You can then save it in Purple Mash, hand it in and we'll be able to see it and comment on it. (We've sent a more detailed letter separately about this).

In the pack this week:

English:

Reading and Responding Unit from Lancashire (daily task) – Fantastic Beasts

GPS mini test - Determiners

Spelling task - Dictation

Maths:

Hanging Basket Problem Solving

Reasoning A

Reasoning B

Arithmetic Test

Place Value Extra Activity

Topic:

(Try and do a little bit each day)

Science – All about animals (classification, habitats, food chains etc.)

If you need extra work on top of the work pack and the Purple Mash 2Do task then we've put links below to the places you can find more work specifically for Year 4 children.

1. Purple Mash

They provide daily Maths, English and Topic work for children to complete.

<https://www.purplemash.com/sch/helmshore>

Please contact us on our class email address if you have any difficulties.

2. BBC Bitesize

The BBC Bitesize material is a good place to start with your home learning. There is a Maths and English session every day followed by some element of topic work.

<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons/1>

3. Oak National Academy

If you require more the Oak National Academy has further activities. Again, there is a Maths and English session every day followed by some element of topic work.

<https://www.thenational.academy/online-classroom/year-4#schedule>

4. Lancashire Maths Team

The Lancashire Maths team who support Lancashire schools with Maths have provided further Maths activities.

http://www.lancsngfl.ac.uk/curriculum/primarymaths/index.php?category_id=1211

5. White Rose:

More Maths is available from White Rose:

<https://whiterosemaths.com/homelearning/year-4/>

<https://whiterosemaths.com/resources/assessment/primary-assessment/>

For those who want to be able to print things out and complete them remember we've still provided activities in the folders for you to do.

Remember to try and keep reading as much as possible – it doesn't matter what you're reading so long as you keep doing it.

Also keep on top of your Times Table Rock Stars, you've worked hard to learn them, but you need to keep working on them to keep them up to speed.

Between the work pack and the other material that we've guided you to, you've got plenty of work to keep yourself busy. The school website is being updated regularly with new activities and ideas too.

Remember it's up to you how much or little you do – please don't put yourselves under any more pressure to do everything. Thank you for all you're doing, and we look forward to seeing you all when this is over.

Thank you to those families that have contacted via the class email, asking questions and sharing work, please continue to do that. We are here to support you in any way we can.

We look forward to seeing you all when it's safe to do so.

Mrs Altham and Mrs Jackson.
