

Dear all,

It has been lovely over to continue to receive emails from so many of you. We have loved finding out what you've been up to. If you've still not sent us an email yet please do. Also, remember to check out the class blog (in 2Blog).

We are posting there each week a summary of what we want you to do. Don't forget you can email us if you've any questions.

A quick reminder of how to do it:

Log in to **Purple Mash**

Click **Tools**

Go down to **2email** (click)

Click the **2email** button again.

You should find messages from us and you might even find ones from other members of the class.

We hope that you enjoyed completing the recent work. We've really enjoyed looking at the different examples of work that you've sent via email. Please feel free to send us any of your work from this new pack too via the class email.

You get a new task every Monday which is due in by the Sunday. You can then save it in Purple Mash, hand it in and we'll be able to see it and comment on it.

REMEMBER - Once you're happy with it and you've saved it you must click the HAND IN button or we can see it but can't mark it properly.

For those who want to be able to print things out and complete them remember we've still provided activities in the folders for you to do.

Remember to try and keep reading as much as possible – it doesn't matter what you're reading so long as you keep doing it.

Also keep on top of your Times Table Rock Stars, you've worked hard to learn them, but you need to keep working on them to keep them up to speed.

Between the work pack and the other material that we've guided you to, you've got plenty of work to keep yourself busy. The school website is being updated regularly with new activities and ideas too.

Remember it's up to you how much or little you do – please don't put yourselves under any more pressure to do everything. Thank you for all you're doing, and we look forward to seeing you all when this is over.

Thank you to those families that have contacted via the class email, asking questions and sharing work, please continue to do that. We are here to support you in any way we can.

We look forward to seeing you all when it's safe to do so.

Mrs Altham and Mrs Jackson.
