

Y6 Leavers Kindness Project

We are really hoping that you will all get involved in this special project to enable us to create a permanent memorial of you in school as our Y6 Leavers 2019-2020. We want to display your contributions within the school grounds to act as inspiration for future generations of Helmshore Primary School pupils. We would kindly ask that you decorate two pebbles, which can be any size or shape.

The first rock that we would like you to decorate should have an inspirational message (e.g. linked to kindness, friendship, gratitude, hope, well-being, etc.) so that we can create a **Pebble of Kindness Garden**.

On the second rock, we would like you to create an image of yourself. Please make sure that you write your full name on and include 'Class of 2019-2020'.

Please aim to hand your completed pebbles in to us by Friday 10th July.
Thank you for your help and support! We can't wait to see your creative efforts!
Mrs Kelly & Mrs Haworth
