

ICT Acceptable Use Policy – Parental Agreement

Dear Parent/ Carer,

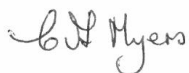

The use of ICT including the Internet, e-mail, learning platforms and today's mobile technologies are an integral element of learning in our school. In making this as successful and as beneficial as possible for all learners, we expect all pupils to act safely and responsibly when using technology both within, and outside of, the school environment.

The enclosed ICT Acceptable Use Policy forms part of the wider School eSafety Policy and in association with both the school's Behaviour Management Policy and Home-School Agreement, outlines those principles we expect our pupils to uphold for the benefit of both themselves and the wider school community. I would therefore ask that you please read and discuss the enclosed eSafety Acceptable Use Policy with your child.

Along with addressing eSafety as part of your child's learning, we have held Parental eSafety Awareness Evenings. Further information on future Parental eSafety Evenings will be communicated as soon as final details are confirmed (if you would like to find out more about eSafety for parents and carers, please visit the ThinkUKnow website at: www.thinkuknow.co.uk).

If you have any concerns or would like to discuss any aspect of eSafety, please contact the school office for further guidance.

Yours sincerely,

Mrs C Myers
