Helmshore Primary School – Geography Key Stage 2 Locational Knowledge and progression of skills

Geography: Key Stage 2		
Locational knowledge		
<i>Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities.</i>	<i>Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these</i>	<i>Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time</i>

		<i>aspects have changed over time.</i>	<i>zones (including day and night).</i>
Year 3	Know the names of and locate at least eight European countries.	Know the names of and locate at least eight counties and at least six cities in England.	Know the names of four countries from the southern and four from the northern hemisphere.
Year 4	Know the names of and locate at least eight major capital cities across the world.	Know where the main mountain regions are in the UK Know, name and locate the main rivers in the UK.	Know where the equator, Tropic of Cancer, Tropic of Capricorn and the Greenwich Meridian are on a world map; Know what is meant by the term 'tropics'.
Year 5	Know the names of a number of European capitals; Know the names of, and locate, a number of South or North American countries.		
Year 6			Know about time zones and work out differences.

Helmshore Primary School - Geography Key Stage 2 Progression of skills Place knowledge and human and physical geography

<u>Geography: Key Stage 2</u>			
<u>Place knowledge</u>		<u>Human and physical geography</u>	
<i>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America.</i>		<i>Describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle.</i>	<i>Describe and understand key aspects of human geography, including types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.</i>
<u>Year 3</u>	Know at least five differences between living in the UK and a Mediterranean country.	Know what causes an earthquake; Label the different parts of a volcano.	
<u>Year 4</u>		Know and label the main features of a river; Know the name of and locate a number of the world's longest rivers; Know the names of some of the world's highest mountains;	Know why most cities are located by a river.

		Explain the features of a water cycle.	
Year 5	Know key differences between living in the UK and in a country in either North or South America.	Know what is meant by biomes and what are the features of a specific biome; Label layers of a rainforest and know what deforestation is.	
Year 6		Know the names of and locate some of the world's deserts.	Know why industrial areas and ports are important; Know main human and physical differences between developed and third world countries.

Helmshore Primary School - Geography Key Stage 2 Progression of skills Geographical skills and fieldwork

Geography: Key Stage 2		
Geographical skills and fieldwork		
<i>Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.</i>		<i>Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.</i>
Year 3	Use maps to locate European countries and capitals; Use a globe to gain a better understanding about countries' location (USA and Russia, for example); Use maps to locate European countries and capitals.	Know and name the eight points of a compass.
Year 4	Use maps and globes to locate the equator, the Tropics of Cancer and Capricorn and the Greenwich Meridian; Distinguish between the Northern and Southern hemisphere on both a world map and a globe.	Know how to plan a journey within the UK, using a road map.

Year 5	Know how to use graphs to record features such as temperature or rainfall across the world.	Know most of the symbols used on a UK road map, including status of roads; Know some of the main features of a satnav.
Year 6	Use Google Earth to locate a country or place of interest and to follow the journey of rivers, etc.	Know what most of the ordnance survey symbols stand for; Know how to use six-figure grid references.
