

Mr McKay

Mr McKay is our catering supervisor and is responsible for producing healthy, nutritious meals for the children each day. Since September 2023 he has also taken on the role of PE coach, delivering a variety of after school clubs for children in school and coaches the children at competition level. Mr McKay is friendly, cheerful and extremely enthusiastic about PE and sport and many of our pupils already know him from playing for him in local teams. He is passionate about developing the whole child, providing them with healthy food and ensuring that they lead an active lifestyle through fun and energetic afterschool clubs.
