

Summer Term 1 - Victorians

English

In English we are using Aladdin, the book and clips from the films. We will look at describing settings and characters and whether our opinions of the characters changes as we find out more about them. We will also carry out drama activities linked to the text and write letters, diary entries and film/book reviews.

Maths

During this term in Maths, we are following the Lancashire Maths Planning Support Materials, where we cover length, addition and subtraction, 2D and 3D shape, fractions, position and direction and time.

Science

In science we will look at plant growth and explain how seeds and bulbs grow into plants. We will investigate what plants need in order to grow and stay healthy.

History

In History, we look at the Victorians, we will look carefully at pictures and objects to find out more information. We will answer and respond to simple questions from the past.

DT

In DT we are looking at textiles and we are going to make a pouches. The Children will select and cut fabrics for sewing, they will learn how to thread a needle and perform a running stitch.

Music

In Music, we are learning how to play the recorder and read music, by the end of the term the children will be able to give a performance to celebrate their success.

Computing

In Computing, we use iAnimate where the children use technology purposefully to create, organise, store, manipulate and retrieve digital content.

PE

In PE this half term, we look at Athletics and the children will learn how to throw underarm and over arm accurately and as far as possible, to jump for distance with control and to complete an obstacle course with speed and agility. We also cover OAA where the children learn to take responsibility for themselves and others and co-operate and work together as a team.

RE

In RE we look at Christianity and the Church, where we think about what unites the Christian Church.

PSHE

This half term we look at 'Relationships' and the children work on identifying some things that can cause conflicts between themselves and their friends and look at ways to resolve those conflicts.

This half term, we also participate in 'Earth Day' - we think about how we can look after our world.
